ABOUT ME

I'm a passionate **Software Engineer**, experienced in making valuable and innovative contributions to a team. Primarily skilled in **Frontend / React.js**, with a portfolio showcasing ongoing commercial and personal projects: **www.andreapiano.dev** .

Most of my IT experience was gained working at **Softfobia (Minsait)**, where I collaborated on notable projects for renowned brands such as **Greenpeace**.

After that, I continued gaining experience both in the international and local arena. At the moment, I'm developing **iStellas**, my own social media web app for astrology enthusiasts, whilst looking for a full-time role. Currently based in **Poznań, Poland**.
