ABOUT ME

A passionate problem solver with **4+ years** of experience contributing to technical projects and supporting clients across software development, financial analysis, and business systems.

Currently, I'm working as an **IT Analyst** at **CFO Solutions LLC**, developing **Board EPM** solutions focused on **FP&A**, reporting and enterprise workflows for clients in the **US**.

*A bit more about myself?
I'm also into music production, powerlifting, and cooking.*
